

11th & 12th Grade Peer Mentors Wanted for 2019-2020 School Year

To Apply:
Fill out the provided
application and
submit to Mrs.
Almelien by
September 9, 2019

CHS is looking for a maximum of 24 junior and senior mentors for the MVP program. Students will receive one credit toward graduation, work with an assigned group of freshman, and must be willing to meet at scheduled times twice a week for training and programming.

Great opportunity for
development of
leadership skills and
setting yourself above
the rest on scholarship
applications.

Mentors in Violence Prevention (MVP) is a group of student leaders who facilitate discussions on harassment, sexual assault, dating/domestic violence, bullying, and other forms of gender violence. MVP views all individuals not as potential perpetrators or victims, but as empowered bystanders who can recognize and confront harassment and abuse. MVP aims to inspire leadership by empowering individuals with tools to lead and with concrete options to effect change in their peer cultures. (from UNI Center for Violence Prevention). For more information check out the following YouTube Video from MVP:
